Ooo ooo oo ooo (x2)

I wish i could fly  
Like a jet plane  
I could read the minds  
Of my enemies  
Worship a poster  
Carry a lunch box  
Have a super hero  
To come and rescue me

I know we're only human, only made with flesh and  
blood  
I shouldn't have such expectations waiting here for love

[[Chorus]]

Whatever happened to the heroes?  
Fast food, fast cars and remote control  
I just need someone, to look up to  
To help me down, this winding road

(Whatever happened to the heroes)

Joe Demagio  
Martin Luther King  
Mother there's a  
Princess Diana  
Now it's Kurt Cobane  
Take a pill for the pain  
Celebrity mentality  
Before you even spell your name

I know I'm full of imperfections, baby aren't we all  
But i could use a good example, stop before i fall  
(Stop before I fall, what happened to)

Whatever happened to the heroes?  
(Oh, Oh)  
Fast food, fast cars and remote control  
(Remote control)  
I just need someone, to look up to

To help me down, this winding road  
(This winding road)  
So whatever happened to the heroes?

We fall to the waste side  
You've been to the dark side  
Buried alive  
Before my eyes  
Been brought to life  
A zillion times  
They like to build you up  
Just to break you down, down, down  
Just to break you down, oh

Whatever happened to the heroes?  
(Whatever happened to the heroes?)  
Fast food, fast cars and remote control  
(Oh yeah, what happened to the heroes, what  
happened to the heroes?)  
I just need someone, to look up to  
To help me down, this winding road  
(Help me down, help me down)  
So whatever happened to the heroes?  
Whatever happened to the heroes?

(Whatever happened to the heroes?)  
Fast food, fast cars and remote control  
(Oh yeah)  
I just need someone to look up to  
(To look up to)  
To help me down this winding road  
(Yeah, oh, oh)
