What if I  
Don't have time to cry  
Cry about you baby  
What if I  
Don't have a part of the mind  
To let go of you & save me  
Ooo baby

Well baby I'll be the crazy  
Crazy lady  
(Maybe i'm crazy)  
And I'm in love with someone that don't exist  
But maybe God will come down  
And take me  
(Just take me)  
To a higher place  
To a happiness  
My bliss

Why can't you just look me in the eye  
And say you'll never want me  
Tell me i'm just a waste of time  
I'm ugly & i'm, i'm useless  
How can you expect me not to cry  
Let me out of love with you  
Tell me I never touched your heart  
Never made you laugh  
Please just tell me something baby  
Tell me something

Tell me why

Why you loved to make me smile  
When you're just gunna leave me craving  
Tell me baby  
Tell me why  
Are you proud to me my man  
You only lie when you're ashamed baby  
Are you ashamed

Maybe I'll be the crazy lady  
(Baby i'm crazy)

And i'm in love with someone that don't exist  
But maybe God will come down and take me  
(Just take me)  
To a higher place  
To a happiness  
My bliss

Why can't you just look me in the eye  
And say you'll never want me  
Tell me i'm just a waste of time  
I'm ugly & i'm, i'm useless  
How can you expect me not to cry  
Let me out of love with you  
Tell me I never touched your heart  
Never made you laugh  
Please just tell me something baby  
Make something up  
Why can't you look me in the eye
