If he could hold her, so close in his arms...again
If she could show him
The letter her heart forgot to send...why
They're livin' dreams on their own
Ooh they'll never stop running

The girl can't help it, she needs more
He hasn't found what he's lookin' for
They're still standing in the rain
He can't help it, and she's just that way

And when he calls her
She tells him that she still cares
Under the moonlight,
He wonders why she can't be there...why
Why do they go on alone
When they're missin' each other

The girl can't help it, she needs more
He hasn't found what he's lookin' for
They're still standing in the rain
He can't help it, and she's just that way

The girl can't help it, she needs more
He hasn't found what he's lookin' for
They're still standing in the rain
He can't help it, and she's just that way

There's a fire
Ooh there's a fire in his eyes for you
Don't you know she still cries
Ooh do you know she still cries for you
Fire
Ooh there's a fire in his eyes for you
For you she cries
Ooh do you know she still cries for you
Fire
Ooh there's a fire in his eyes for you
Ooh nothing stands between love and you
