I've been thinking 'bout the times you walked out on me  
There were moments I'd believe, you were there  
Do I miss you, or am I lying to myself again  
I do these things (it's all because of you)  
I keep holding on, but I'll try (try not to think of you)  
Love don't leave me lonely

I'll be alright without you - there'll be someone else, I  
keep tellin' myself  
I'll be alright without you - oh, love's an empty face, I  
can't replace  
(you don't need it)

People wondrin' why we broke apart, the great  
pretender here I go again  
These things I do (it's all because of you)  
I'll keep holdin' on, but I'll try (try not to think of you)  
All I wanted was to hold you

I'll be alright without you - there'll be someone else, I  
keep tellin' myself  
I'll be alright without you - love's an empty face, oh I've  
got to replace

I'll be alright without you - there'll be someone else, I  
keep tellin' myself  
I'll be alright without you - oh, love's an empty place  
I can still see your face (I'll be alright)
