Every time is like the first time tenderly  
Loving you is like breathing spring  
Seasons change but your heart beats constantly  
Count my blessing every day as you love me  
As the sunset disappears across the northern sky  
You look for forever in my eyes  
All I can say, long as I have a voice  
I'll thank God above that I was your first choice

CHORUS:

If I should die before I wake  
I'll go into the night whispering your name  
If lying in your arms is the last thing that I do  
At least I know that I'll be loved by you

In about a hundred years from now  
When all of my love letters are found  
And someone reads these words I've written only  
meant for you  
They'll know how forever came true...

REPEAT CHORUS

Let the years roll on by  
These are the best times of my life  
I'll just smile when my days are through  
Knowing that I've been loved by you  
At least I know that I've been loved by you
