I know you got that special something, oh, baby
I know you like to keep it hummin', oh, baby.
'cause girl, lovin' you is so easy.
Oh, woh, woh. lovin' you is so easy.
Yeah, yeah, yeah, yeah,
My, my, my, my, my, my, my, my,
Yeah, yeah, yeah.

Come on girl, give me that good lovin', oh baby
Come on girl, keep the motor hummin, oh, woh, baby.

'cause lovin' you is so easy.
My, my, my, my
Lovin' you is easy.
Lovin' you is easy.

Girl, after the mornin' sunlight,
After the band has flown away,
Oh, we'll be thinkin' of you.
Yes, we'll be holdin' on girl.

Lovin' you is easy.
Lovin' you is easy.
Lovin' you is easy.
Lovin' you is easy.

Oh, I'm lovin', lovin', lovin', lovin', lovin', lovin', lovin',
you
Oh, and it's easy (easy).

Oh, I'm lovin', lovin', lovin', lovin', lovin', lovin', lovin',
you
Oh, and it's easy (easy).
