Winter and moonlight
It's an old-fashioned song
Julie's in blue jeans
Now her love has gone

She's an old-fashioned feelin'
She's an old-fashioned song
Julie's in love now, but love has gone

It's a natural thing
It's a natural thing

I never knew her
I never tried
Julie would run by
Cryin', teary-eyed

She was old-fashioned feelin'
She was old-fashioned song
Julie's in blue lace
And love has gone
Her love has gone

It's a natural thing
It's a natural thing
It's a natural thing

Ohhhhhh, she was old-fashioned feelin'
She was old-fashioned song, yes julie
Now julie's in blue lace
And love has gone
Well, love has gone
Well, love has gone

It's a natural thing...

Julie...julie...
