A place in time Can make the grind Fall out when you want to Anyplace, anytime All the world loves another You know you can't find no other Still I'm gonna love you, yeah

Anyway Anyway Anyway Anyway

Dark at one Are you havin' fun Come on out with your play toys You've got the blues on the run All the world loves another You know you can't find no other Still I'm gonna love you, yeah

Yes, I'm gonna love you anyway yeah yeah yeah No no no no no no no no Feelin' low How I loved you so Cut out all your teasing You may never know All the world loves another You know you can't find no other Still I'm gonna love you, yeah Yeah, yes I know
