**Bonus track on "Trial By Fire"

You know that my heart is true
And I'd never lie to you
We try each and every day
Still there's something in the way

I like moonlight, simple things
Now you want a diamond ring
I got news for you
Baby I'm a-leaving you

We both want a love that lasts
Girl, you're moving away too fast
I live for your fantasy
A real love is what I need

You should be happy, tell you friends
This is where the movie ends
I got news for you
Baby I'm a-leaving you

Let me tell you, girl
I hear what you say, I see what you're doing, girl
I don't wanna play

We're livin' in two different worlds

Tell me girl it ain't true
The rumors that I hear about you
'Bout all the boys you knew before
Who come and go right out your door

I like moonlight, simple things
Go out and get a diamond ring
I got news for you
Baby I'm a-leaving you
Oh, baby I'm a-leaving you

I got news for you...
