A double secret agent  
And he was paid to kill  
With cold steel magnum force  
Is how the man possessed the skill

He shot a man in Paris  
He did a job in L.A.  
And if the price was right, he'd surely  
Take your life away

Wanted, wanted

Wanted dead or alive  
Blood for money, money  
Assault, homicide  
Blood for money, money  
Money, money

Oh yeah  
Watch it

He drove a Maserati  
Lived up in the hills  
A cat with nine lives that's gone  
Too far to feel the chill

He never though it'd happen  
It was his last mistake  
'Cause he was gunned down by a  
Heartless woman's 38

Wanted dead or alive  
Blood for money, money  
Assault, homicide  
Blood for money, money  
Money, money, money, money
