City of the angels, city of the angels

Walkin' and talkin' and laughin' about
Dreamin' the things that you want will work out
People and places where you wanna be
I'm lost in the city, who's got the key?

City of the angels - ooh, I hear you calling me - city of
the angels

I've got this feeling that things will work out
I've got this feeling and there ain't no doubt
I'm folding arms, hoping to find
Life in the city can bring peace of mind

City of the angels - ooh, I hear you calling me - city of
the angels

(Solo)

City of the angels - oh, I hear you calling me
City of the angels - just like, just like it used to be, yeah
City of the angels

I'm going home (home), home (home), oh
Bye bye, bye bye, bye bye, oh bye bye, bye bye, bye
bye
Yeah yeah, I'm leaving (leaving)
Oh-oh-oh, oh-oh-oh-oh, I'm goin' home, my friend, I'm
leavin' leavin'
