"Faith In The Heartland"

He Goes To Work In A Brand New Dawn  
with The Early Morning Sunrise  
he's Got His Dream And He's Holding On  
it's Getting Harder Every Day

he Loves A Girl Who Speaks Her Mind  
don't Always Look At Life The Same Way  
sharing Truth That Will Heal In Time

they Wanna Believe Something Real  
still They're Searching  
they're Keeping The Faith In The Heartland Tonight

time Moves On At The Failing Town  
and He Struggled With The Changes  
the Stores Are Closed, Friends Have Moved Away  
now It's Hope That Sees Him Through

the Kids Have Gone But They'll See Them All  
at The Sunday Congregation  
sharing Dreams Which Will Heal In Time

they Wanna Believe Something Real  
still They're Searching  
they're Keeping The Faith In The Heartland Tonight

ooh It's The Worlds That Divide Them  
it's Love That Defines Them  
they're Keeping The Faith In The Heartland Tonight  
in Our Darkest Hour, Oh We Look To The Sky  
with A Silent Prayer, Believe That God's On Our Side  
in A Land Where Freedom Rings, And Where Eagles Fly  
ooh Yeah, Yeah

they Wanna Believe Something Real  
still They're Searching  
they're Keeping The Faith In The Heartland Tonight

ooh It's The Worlds That Divide Them  
it's Love That Defines Them  
they're Keeping The Faith In The Heartland Tonight

in Our Darkest Hour, Oh We Look To The Sky  
with A Silent Prayer, Believe That God's On Our Side  
in A Land Where Freedom Rings, And Where Eagles Fly  
ooh Yeah, Yeah

ooh I Just Want To Believe It  
give Me Something To Believe In  
we All Need Something To Believe In  
in The Heart Tonight
