Opened my eyes to a new kind of way
all the good times that you saved
Are you feeling
you feeling that way too?
Or am I just
Am I just a fool?

(chorus)

When the summer's gone
she'll be there standing by the light
Once she's been to where she's gone to
she should know wrong from right
Is she feeling?
Are you feeling
you feeling that way too?
Or am I just
Am I just a fool?

A new road's waiting, you touched my life
soft and warm on a summer's night
You're the only one I told you

the only one I love
The lovely one I'm thinking of

(chorus)

When the summer's gone
she'll be there standing by the light
Once she's been to where she's gone to
she should know wrong from right
Is she feeling?

(instrumental)

Woh woh, is she feeling?
(feeling that way)
My my my, oh woh
(feeling that way)
My my my, oh woh
(feeling that way)
Woh oh oh oh

(feeling that way)
Woh oh oh oh
Feeling that way
