When she walked into the room  
I felt her move me  
I saw her eyes  
They went right through me  
Just one look I was forever in blue

In a spell of her embrace  
Just for a moment  
I was the one, caught in the moment  
I knew, yes, right then I knew

Two hearts, reach for each other  
Once chance, she's like no other  
I'm lost, lost in the dream of you  
'cause it's true oh  
I'm forever, forever in blue

In a fantasy of my anticipation  
I knew there was no consolation  
I knew, oh I knew

And on the night she told me that  
She had another  
I was broken by the truth

I discovered, I knew oh I knew

Two hearts, reach for each other  
Once chance, she's like no other  
I'm lost, lost in the dream of you  
'cause it's true oh  
I'm forever, forever in blue... in blue

Believe me girl, I tried not to call  
But here I am once again, yes once again  
Beside you, with my hands on the wall

Two hearts, reach for each other  
Once chance, she's like no other  
I'm lost, lost in the dream of you  
Those two hearts, reach for each other  
Once chance, she's like no other

I'm lost, lost in the dream of you  
'cause it's true oh  
I'm forever, forever in blue
