One, two, a-one, two
Wo ah la ta da, wo ah la ta da, all night long

Yeah, come on & let the good times roll
We're gonna stay here till we soothe our souls
If it take all night long, yeah

When the evenin' sun is sinkin' low
The clock on the wall say it's time to go
I had my fun, I don't know about you
I'll tell you people what I'm gonna do, yeah

Get in the mood & let the good times roll
We're gonna stay here till we soothe our souls
If it takes all night long, yeah

Ooh, it might be 1, it might be 3
Ooh, time don't mean that much to me
I ain't felt this good since I don't know when
Ooh I might not feel this good again yeah

Get in the mood and let the good times roll
We're gonna stay here till we soothe our souls
If it take all night long
Yeah all night (all night) all night (all night)
Somebody said (all night) it might take all night long
(all night)
All night, night long (all night) somebody said (all
night)
Might take all night, yeah
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh ooh
Ooh ooh ooh

Come on & let the good times roll
We're gonna stay here till we soothe our souls
If it take all night long, yeah
