"Happy To Give"

I was born a believer
played the fool
Lonely dreamer left to choose
I don't know where the love is
there's a promise undone
Someone's cryin' in a room all alone

Shadows fall after the hurt is gone
Through it all we love and we lose

(chorus)
Where is the one
someone who's happy
(happy to give)
Happy to be with you
It's where you belong
with someone who's happy
(happy to give)
Happy to give you love

Ooh ooh

A song for the singer
one book of dreams
Take this heartache
away from me
A page in a story
romance untold
Sharing secrets we call our own

Shadows fall after the hurt is gone
Through it all we love and we lose

(chorus)

Happy, happy, oh happy
(happy to give)

(Ooh happy to give)
Oh somebody's happy
to give you love
Your love your love oh yeah
