I've been thinkin' bout the times
You walked out me
Thre were moments I'd believe, you were there
Do I miss you or am i lying to myself again?
I do these things (it's all because of you)
I keep holdin' on but I'll try (try not to think of you)
Love don't leave me lonely

I'll be alright without you
There'll be someone else - I keep tellin' myself
I'll be alright without you
Oh, loves an empty face - I can't replace (you don't
need it)

People wonderin' why we broke apart
The great pretender here I go again
These things I do (it's all because of you)

I'll keep holdin' on but I'll try (try not to think of you)
All I wanted was to hold you

I'll be alright without you
There'll be someone else - I keep tellin' myself
I'll be alright without you
Oh, loves an empty face - I can't replace

I'll be alright without you
There'll be someone else - I keep tellin' myself
I'll be alright without you
Oh, loves an empty place - I can still se your face
(I'll be alright)
