Oh baby  
Your face is dark and your eyes are wild  
Oh baby, yeah, baby baby  
You look to me as though you're still a child

Your innocence to me  
Is so hard to believe  
Just a spell from my past  
Well, how long will it last  
Tell me, how long will you last

Oh baby  
You stole my lonely heart for you  
Oh baby baby baby  
I wanna tell you what you can do

I no longer care about the things we shared  
You've always had your way  
Won't you find a place today? Yeah  
Won't you find a place to stay?

I no longer care about the things we shared  
You've always had your way  
Won't you find a place today?  
Won't you find a place to stay?

Find a place today  
Won't you find a place today?  
Oo, yeah yeah yeah  
Find a place  
Won't you find a place?

[Incomprehensible]  
Won't you find a place?  
Oo, yeah

Find it, baby  
Find a place to stay  
Oo, yeah yeah yeah yeah yeah yeah

Yeah yeah  
Yeah yeah yeah

Won't you find a place to stay?  
Oo
