"Message Of Love"

I walk alone in the dark without you
And deep in the shadows I run without you
And here, here I stand, the king of fools
Now love's here, where are you?

Baby, can you hear me?
Can you hear me callin'?
Baby, can you hear my message of love?

Baby, can you hear me?
Can you hear me callin'?
Baby, can you hear my message of love?

Why have I waited so long to be there for you
Now, now I'm ready to give everything to you
Now love's here, where are you?

Baby, can you hear me?
Can you hear me callin'?
Baby, can you hear my message of love?

Baby, can you hear me?
Can you hear me callin'?
Baby, can you hear my message of love?

I hear but I never listen
I see and still I'm blind
All alone, lost in the silence, I'm dyin'

Baby, can you hear me?
Can you hear me callin'?
Baby, can you hear my message of love?

Baby, can you hear me?
Can you hear me callin'?
Baby, can you hear my message of love?

Message, do you, do you, do you hear me?

Do you hear my message?
Baby, can you hear me callin', callin'?

Do you, do you hear me?
Do you, do you, do you hear me?
