

## Journey "Of A Lifetime"

Visit "[Of A Lifetime](#)" on [MotoLyrics.com](https://MotoLyrics.com)

The mist is slowly lifting  
The sound of life misplaced your mind  
You're sitting, spellbound throughout time  
I hope that you remember what you find  
Singin' for the lifetime, yea

You put it down, all that I'm thinking  
But take a long and distant search,  
When all is right you take for granted  
You can't look down but you're no worse, no no no no,  
my my my  
My my my my my my my my my  
Singin' for the lifetime

The countless visions that are drifting  
The silver dreams, you hate to lose  
There's no harm, we've all been waiting  
Well keep your faith, do what you choose  
Singin' for the lifetime, yea
