Lost in a feelin'  
And this distance between us  
I start believin'  
These days we're driftin' apart  
We're leadin' separate lives  
Separately missin' each other  
It's time that we face a lie  
We can't go on pretendin' this way

(Chorus)

I wanna get back to the place in your heart  
What we knew in a kiss, how we fell from the start  
Can we still make it real, as we lie in the dark  
Am I still there in the place in your heart

When was the last time  
We were lost in the moment  
It feels like we can't find  
Oh, the love that we used to share  
If I could take you there  
Could we surrender together  
Somewhere to begin again  
Oh it hurts just to go on this way  
Yeah

(Chorus)

I wanna get back to the place in your heart  
What we knew in a kiss, how we fell from the start  
Can we still make it real, as we lie in the dark  
Somewhere there's love, we've come this far  
Reach out your hand and I'll find where you are  
Am I still there in the place in your heart

(Solo)

Times that I let you down  
You could have just walked away  
Yes I need your forgiveness, love  
Don't say it's too late, yes

(Chorus)

I wanna get back to the place in your heart  
What we knew in a kiss, how we fell from the start  
Can we still make it real, as we lie in the dark  
Somewhere there's love, we've come this far  
Reach out your hand and I'll find where you are  
Am I still there in the place in your heart

Oh, let me take you there  
Save a place for me baby  
Save a place in your heart  
Aw, let me take you there  
Leavin'
