"Send Her My Love"

It's been so long
Since I've seen her face
You say she's doin' fine
I still recall a sad cafe
How it hurt so bad to see her cry
I didn't want to say goodbye

(chorus)

Send her my love
Memories remain
Send her my love
Roses never fade
Send her my love

The same hotel
The same old room
I'm on the road again
She needed so much more

Than I could give
We knew our love could not pretend
Broken hearts can always mend

(chorus)

Callin' out her name I'm dreamin'
Reflections of a face I'm seein'
It's her voice
That keeps on haunting me

(instrumental)

Send her, send her my love
Roses never fade
Memories remain
Send her, send her, my love...
