Journey  
Separate Ways (Worlds Apart)

Here we stand  
Worlds apart, hearts broken in two (two, two)  
Sleepless nights  
Losing ground  
I'm reaching for you (you, you)

Feelin' that it's gone  
Can change your mind  
If we can't go on  
To survive the tide love divides

Someday love will find you  
Break those chains that bind you  
One night will remind you  
How we touched  
And went our separate ways  
If he ever hurts you  
True love won't desert you  
You know I still love you  
Though we touched  
And went our separate ways

Troubled times  
Caught between confusion and pain (pain, pain)  
Distant eyes  
Promises we make were in vain (in vain, vain)

If you must go, I wish you love  
You'll never walk alone  
Take care my love  
Miss you love

Someday love will find you  
Break those chains that bind you  
One night will remind you  
How we touched  
And went our separate ways  
If he ever hurts you  
True love won't desert you

You know I still love you  
Though we touched  
And went our separate ways

Someday love will find you  
Break those chains that bind you  
One night will remind you  
If he ever hurts you  
True love won't desert you  
You know I still love you

I still love you girl  
I really love you girl  
And if he ever hurts you  
True love won't desert you
