

Journey "Seperate Ways"

Visit "[Seperate Ways](#)" on [MotoLyrics.com](#)

Here we stand
Worlds apart, hearts broken in two, two, two
Sleepless nights
Losing ground, I'm reaching for you, you, you

Feelin' that it's gone
Can change your mind
If we can't go on
To survive the tide, love divides

Chorus:
Someday love will find you
Break those chains that bind you
One night will remind you
How we touched and went our separate ways
If he ever hurts you

True love won't desert you
You know I still love you
Though we touched and went our separate ways

Troubled times
Caught between confusion and pain, pain, pain
Distant eyes
Promises we made were in vain, in vain, in vain

If you must go
I wish you love
You'll never walk alone
Take care my love, miss you love
