Hear what I'm saying, you're losing control

Can't take the sun from her eyes

She's built for comfort, she ain't no fool

She said, take a look

It's easy tonight

It's gonna be alright

She made me feel alright

Baby baby baby baby, feel alright, wooh

Yeah, it's gonna be alright

A flaming sky sure makes her look good

You'll put your life on the line

Are you gonna stay, or do you wanna leave

Well hey, come with me

We'll have a good time

It's gonna be alright

Yeah, she made me feel alright

Baby baby baby baby, feel alright, yeah

Yeah, it's gonna be alright

I can't wait

I gotta have her now

I can't wait

Well my love is growing stronger yeah

I can't wait

No, no, no, no, no, no, no, no, no, no, no, no, no, no,  
no, no, no, no, no, no, wooh

????, wooh

It's alright

Baby baby baby baby

She made me feel alright

Yeah, she made me feel alright

Well baby baby baby baby feel alright

Baby baby baby baby feel alright

It's gonna be alright

She made me feel alright

She made me feel alright
