Don't be so wise, I was born to fly
Not without a place in the wind
Walked off a cliff, then I closed my eyes

Ooh, I'm not a spaceman, no, no
Ooh, I'm not a spaceman

Don't need no feathers, I don't need no twine
I'm all together in my body and my mind
Not supernatural, just a human combine

Ooh, I'm not a spaceman, no, no
No, no, I'm not a spaceman no, no, no, no
Not a space man

Can't see a castle, I don't need a sleigh
I brought my wings, no, but not today
I'm a cosmopolitan, right handed wingless man

No no, I'm not a spaceman, no, no
No, no, I'm not a spaceman no, no, no, no

No, no, no, no, I'm not a spaceman, no
Ooh, I'm not a spaceman, no, no
No, no, I'm not a spaceman
