THE GIRL CAN'T HELP IT

Journey

Written by: S. Perry/J. Cain/N. Schon

If he could hold her, so close in his arms...again
If she could show him
The letter her heart forgot to send, why
They're livin' dreams on their own
Ooh they'll never stop running...

*The girl can't help it, she needs more
He hasn't found what he's lookin' for
They're still standin' in the rain
He can't help it, and she's just that way*

And when he calls her
She tells him that she still cares
Under the moonlight,
He wonders why she can't be there...why
Why do they go on alone
When they're missin' each other

The girl can't help it, she needs more
He hasn't found what he's lookin' for
They're still standin' in the rain
He can't help it, and she's just that way

(chorus)

Ooh...there's a fire in his eyes for you
(Don't you know she still cries)
Ooh...do you know she still cries for you
(Fire)

Ooh...there's a fire in his eyes for you
(For you she cries)
Ooh...do you know she still cries for you
(Fire)

Ooh...there's a fire in his eyes for you
(Ooh...there's a fire)
Ooh...do you know she still cries for you

(Oh nothing stands between love and you)
