It's been a mystery  
but still they try to see  
why something good can hurt so bad  
Caught on a one way street  
the taste of bittersweet  
Love will survive somehow, some way

(chorus)

One love feeds the fire  
One heart burns desire  
one love, who's crying now  
Two hearts born to roam  
Who'll be the lonely one  
one love, who's crying now

So many stormy nights  
So many wrongs or rights

Neither could change their headstrong ways  
And in a lover's rage  
they tore another page  
The fighting is worth the love they save

(chorus)

Only so many tears you can cry  
Till the heartache is over  
And now you can say your love  
Will never die

Whoa ooh oh ooh oh  
Wah hoo oh hoo oh

(chorus)

(instrumental)
