Another night, Another Smoke filled bar.  
I played my song, I played on my guitar.  
Reaching out to touch somebody's heart,  
There you were.

You Understood, the need inside of me.  
You believed, and set my spirit free.  
Because of you.  
I will never be afraid.  
You made me strong.

All that I am. All that I do.  
All of my heart. You know it's all for you.  
For the times we cried.  
After all we've been through.  
For the dreams we shared.  
You know it's all for you.  
So here I am, I've wrote this song for you.  
To say a thank you, for everything you do.  
I'm gonna take this chance cos there's no looking back,

From now on.

All that I am. All that I do.  
All of my heart. You know it's all for you.  
For the times we cried.  
After all we've been through.  
For the dreams we shared.  
You know it's all for you.

All that I am. All that I do.  
All of my heart. You know it's all for you.  
For the times we cried.  
After all we've been through.  
For the dreams we shared.  
You know it's all for you.  
After all we've been through.  
For the dreams we shared.  
You know it's all for you.

Baby it's all for you.
