I pretended I'm glad you went away

These four walls closin' more every day

I'm dying inside

And nobody knows it but me

Like a clown I put on a show

The pain is real even if nobody knows

I'm cryin' inside

And nobody knows it but me

Why didn't I say

The things I needed to say

How could I let my angel get away

Now my world is just a-tumblin' down

I can see it so clearly

But you're nowhere around

The nights are lonely

The days are so sad

And I just keep thinkin' about

The love that we had

I'm missin' you

And nobody knows it but me

Oh

I carry a smile when I'm broken in two  
And I'm nobody without someone like you  
I'm tremblin' inside, and nobody knows it but me  
Yeah,  
I lie awake, it's a quarter past three  
And I'm screamin' out loud  
As if I thought you'd hear me  
My heart is callin' you  
And nobody knows it but me  
Yeah my heart is callin' you  
And nobody knows it but me  
Yeah yeah  
Yeah my heart is callin' you  
Nobody knows it  
But me
