The first time ever I saw your face  
I thought the sun rose in your eyes  
And the moon and stars were the gifts you gave  
To the dark and endless skies, my love

The first time ever I kissed your mouth  
I felt the earth move in my hands  
Like a trembling heart of a captive bird

That was there at my command, my love

And I knew our joy would fill the earth  
And last till the end of time my love  
The first time ever I saw your face, your face,  
Your face, your face, saw your face
