There's no saints in the world today  
before my blade there are no exceptions  
I gather my troops for the final kill  
the western world will be gone tomorrow

Bloodlust, I seek pleasure in death  
unspeakable terror as I raise hell  
no one gets away, no mercy, no use to pray  
thousands of bodies lined up on the streets  
I sentence you all to death today  
rotten corpses, maggot-filled meat  
I can't stop my infernal slaughter

Watch me as I take action  
brutal murders for my satisfaction

The whole world blown into pieces  
my final sin the most violent assault

Human prey, my gruesome plan of revenge  
send my soul straight down to hell

Bloodlust, I seek pleasure in death  
unspeakable terror as I raise hell  
no one gets away, no mercy, no use to pray  
thousands of bodies lined up on the streets  
I sentence you all to death today  
rotten corpses, maggot-filled meat  
I can't stop my infernal slaughter  
Watch me as I take action  
brutal murders for my satisfaction

The whole world blown into pieces  
my final sin the most violent assault

Send my soul straight to hell  
taste my venom, I shoot to kill  
send my soul straight to hell  
for evil I am

Watch me as I take action  
brutal murders for my satisfaction

The whole world blown into pieces  
my final sin the most violent assault

Send my soul straight to hell  
taste my venom, I shoot to kill  
send my soul straight to hell  
for evil I am
