Prepare yourself, for a violent day
I ride into the unknown

You are drifting away from your soul
it's about time to take you home
a thousand crossroads in your life,
just a million different ways to die

I've been sick of my life since ages ago
I'm bored to death, it's time to go

Welcome all my nightmares
ripped and torn
My life feels so unreal
ripped and torn
Time for me to beg for mercy
ripped and torn
Time for me to get
ripped and torn

Time to meet the man, now dive into
the rivers of sin, let the evil have its way
it's too late, no escape

I've been sick of my life since ages ago
I'm bored to death, it's time to go
Welcome all my nightmares
ripped and torn
My life feels so unreal
ripped and torn
Time for me to beg for mercy
ripped and torn
Time for me to get
ripped and torn

I've been sick of my life since ages ago
I'm bored to death, it's time to go

Welcome all my nightmares
ripped and torn
My life feels so unreal
ripped and torn

Time for me to beg for mercy
ripped and torn
Time for me to get
ripped and torn
