Turn away from grimness  
Turn away from your desires  
Get him locked up  
They ate him, ate him up.  
No one at the scene transposes  
Reversed transpossession  
Kill the newborn child of Christ  
Put and end to all the lies

Demonic possession  
Transfer the spirits  
The obscure rituals continue

Look for someone weak  
Got the keys to unlock hell  
Your secret dies with me  
Shoot me, stuff me, nail me to the wall

Demonic possession  
Transfer the spirits  
The obscure rituals continue

Evil prevails  
I'm taking over  
Put the evil in the sacred circle  
And the power will be mine

You're just resting  
Go knock 'em down.  
Saving lives  
It's getting worse  
Doing what you're told  
Totally vicious predatory act

Look for someone weak  
Got the keys to unlock hell  
Your secret dies with me  
Shoot me, stuff me, nail me to the wall

Demonic possession  
Transfer the spirits  
The obscure rituals continue

Evil prevails  
I'm taking over  
Put the evil in the sacred circle  
And the power will be mine

No one at the scene transposes  
Reversed transpossession  
Kill the newborn child of Christ  
Put and end to all the lies

Demonic possession, transfer the spirits.  
The obscure rituals continues

Demonic possession  
Transfer the spirits  
The obscure rituals continue

Evil prevails  
I'm taking over  
Put the evil in the sacred circle  
And the power will be mine
