I am Elvis Presley
I am a macho man
Sono Napoleone
Io sono un'impressione
Io sono un super deejay
Yo soy el matador
Yo soy marinero
Yo soy el capitano
I am dynamite
I am wrong, I am right
Sono disorientato
I am looking for love
I am Frank Sinatra
I am Spiderman
Ich bin der Kommissar
I do the best I can

And I move my feet to the beat
And I move my body to the party
And I move my feet to the beat
And I move my body to the party

Ecco la medicina
Take my medicine
Take my medicine
Get my medicine
Ecco la medicina

Dammi la medicina

I wanna be the clock
I wanna be the clock
I am a freedom fighter
I am a woman's man
I am a freedom fighter
I am a woman's man
I am the great pretender
I am the rhythm blender
I am the superstar
I am a common man
I am the body shaper
I am the hard shaker
I am the Fitzcarraldo
I am Fellini's dream
I am the jungle monkey
I am the honky tonky
I am the funky ceaser
I am a woman's man

And I move my feet to the beat
And I move my body to the party
And I move my feet to the beat
And I move my body to the party
And I move my feet to the beat
And I move my body to the party
And I move my feet to the beat
And I move my body to the party

Soy libertador
Yo soy el matador
Soy el profeta electrico
Yo soy el niÃ±o ritmico
Yo soy un astronauta
Entra Gibraltar e Ceuta
Soy Michael Jackson que baile
En el autobus
Yo soy el gran ladrÃ³n
En el lado de la cruz
Soy el panic soy el madÃ³ra
Mentido a verdadera
lo porto primavera
I am talking blues

And I move my feet to the beat
And I move my body to the party
And I move my body to the party
And I move my feet to the beat
And I move my body to the party

Take my medicine

Toglimi le voglie prima che le voglie
Tolgo di mezzo me
Toglimi le voglie prima che le voglie
Tolgo di mezzo me
Togliti le voglie prima che le voglie
Tolgo di mezzo te
Togliti le voglie prima che le voglie
Tolgo di mezzo te

And I move my feet to the beat
And I move my body to the party
And I move my feet to the beat
And I move my body to the party

Ecco la medicina
Take my medicine
Take my medicine
Get my medicine
Ecco la medicina
Dammi la medicina

I wanna move my feet to the beat
And I move my body to the party
And I move my feet to the beat
And I move my body to the party
