Here, here
Everything is by design
Everything is by design

Here, here
Everything is kept inside
So take a chance and step outside
Your hopes, your dreams, your paradise
Heroes, idols cracked like ice

Here, here
Everything is kept inside
So take a chance and step outside

Pure frustration face to face
A point of view creates more waves
So take a chance and step outside

Take a chance and step outside
Lose some sleep and say you tried
Meet frustration face to face
A point of view creates more waves

So lose some sleep and say you tried
So lose some sleep and say you tried
So lose some sleep and say you tried
So lose some sleep and say you tried

Say you tried
Say you tried
Say you tried
Say you tried

Say you tried
Say you tried
Say you tried
Say you tried

Say you tried
Say you tried
Say you tried

Yeah, lose some sleep and say you tried
Yeah, lose some sleep and say you tried
Yeah, lose some sleep and say you tried
Yeah, lose some sleep and say you tried
