Hearts fail, young hearts fail
Anytime, pressurized
Overheat, overtired

Take it quick, take it neat
Clasp your hands, touch your feet
Take it quick, take it neat
Take it quick, take it neat

Hearts fail, young hearts fail
Anytime, wearing down
On the run, underground

Put your hand where it's safe
Leave your hand where it's safe
Do it again, do it again and again and again

Do it again and again and again
Do it again and again and again
Do it again and again and again

Anytime, that's your right
Don't you wish to do it again
Overheat, overtired
Don't you wish to do it again

Don't you wish to do it again
Don't you wish to do it again

Anytime, that's your right
Don't you wish to do it again
Anytime, that's your right
Don't you wish to do it again

Don't you wish to do it again
Don't you wish to do it again
Do it again, do it again
Do it again, do it again
