We were strangers.  
We were strangers, for way too long, for way too long,  
We were strangers, for way too long.  
Violent, violent,  
Were strangers.

Get weak all the time, may just pass the time,  
Me in my own world, yeah you there beside,  
The gaps are enormous, we stare from each side,  
We were strangers for way too long.

Violent, more violent, his hand cracks the chair,  
Moves on reaction, then slumps in despair,  
Trapped in a cage and surrendered too soon,  
Me in my own world, the one that you knew,  
For way too long.  
We were strangers, for way too long.  
We were strangers,  
We were strangers, for way too long.  
For way too long.
