

Joy Division "The Kill"

Life can be for you, good things are nice.
Trusting on you, really no threats.
The way to get through, deciphering the scars.
Just a far glow, sit still in their cars.
It's another, 'nother, 'nother, 'nother kill.
It's another, 'nother, 'nother, 'nother kill.
It's another, 'nother, 'nother, 'nother kill.

I can smell through, you're talking's a lie.
They turn out to you, before say "Die!".
Wrapped in your trunk, to reach out the same case.
So I can detect, no longer mistaking.
It's another, 'nother, 'nother, 'nother kill.
It's another, 'nother, 'nother, 'nother kill.
It's another, 'nother, 'nother, 'nother kill.

Dangerous cues, set by distraction.
Deprived of all use, nor in satisfaction.
Total destruction, the worst ever met.
Kept in apartment, sublimely fought you.

Who's gone there backstage, to keep you in rock ?
Who's got the vision, that puts at no odds ?
Loss of all resource, falls up to your head.
Just that it was, whacked into the air.
It's another, 'nother, 'nother, 'nother kill.
It's another, 'nother, 'nother, 'nother kill.
It's another, 'nother, 'nother, 'nother kill.

Kill, huh.
Ha, ha.
