"The Road To Monarchy"

Sadness sings through daunting hours
The cloaks of
yarn cover the
Marshes
Hunting for roads in thorn to make our way to
my
First love
The webs weave then end their forms
Are we
to
Die with no glimpse of you?

CHORUS

Our love carries us
Down the Road to Monarchy
Our doom wearies us
Down the Road to Monarchy
Songs of tragedy abound

Merry days were once beloved by peasants for the
sake of folly
My
Hearts in reverie for days spent gathering springs of
Green
And how often I would dream of dragons, love,
Honour and kings
