Morning seems strange
Almost out of place
Searched hard for you
And your special ways

These days, these days

Spent all my time
Learnt to kill as art
Took threats and abuse
'Til I'd learned the part

Can you stay for these days?

These days, these days

Used outward deception
To get away
Broken heart romance
To make it pay

These days, these days

We'll drift through it all
It's the modern age
Take care of it all
Now these debts are paid

Can you stay for these days?
