(Kim Carnes/Donna Weiss/Collin Ellingson)

You can't abuse a love affair  
Take for granted what you think is there  
Let the silence fill the loney air around us

The truth falls like pieces of dreams  
Invisible walls that I can't see  
How can it happen Why can't we just be

What is it makes us act so crazy  
Riskin' it all  
Over passion and pain  
Stipped to the soul  
We hold on for safety  
And we give it all we know how  
So don't cry now

The risk is all in the take  
We see it all when it's too late  
And we dance so fast  
To keep the flame inside

What is it makes us act so crazy  
Riskin' it all  
Over passion and pain  
Stipped to the soul  
We hold on for safety  
And we give it all we know how  
So don't cry now

Do you remember  
When nothing else mattered  
But the fire in your eyes  
How do we find ourselves  
Caught in this battle  
Of what to do with our lives

What is it makes us act so crazy  
Riskin' it all  
Over passion and pain

Stipped to the soul  
We hold on for safety  
And we give it all we know how So don't cry now
