I Thought You Were Just A Friend
Someone I Could Talk To When I Needed A Shoulder
Seemed Like Just Another Night
Somehow You Just Happened By
But You Knew Better
I Found Out When We Kissed

And Oh, Just One Little Kiss
And Now I Know What I Missed
Baby All My Life And I Was Not Expecting This
Now You Get Me Where I Live
With Just One Little Kiss

They Say Things We Leave Unsaid
They Just Turn Into Regrets
When Nights Get Long And Lonely
Somehow Baby You Get Through
I've Been Waiting For You Too
I Didn't Know I Found Out When We Kissed

And Oh, Just One Little Kiss
And Now I Know What I Missed
Baby All My Life And I Was Not Expecting This
Now You Get Me Where I Live
With Just One Little Kiss

You Think That Love Forsakes You
Then By Surprise It Takes A Hold

And Oh, Just One Little Kiss
And Now I Know What I Missed
Baby All My Life And I Was Not Expecting This
Now You Get Me Where I Live
With Just One Little Kiss
