Kim Carnes (live at King Biscuit Flower Hour)

Under my thumb
Is the guy who once had me down
Under my thumb
Is the man who once pushed me around
Its down to me
Yes it is
The way he does just what hes told
Down to me, the change has come
Hes under my thumb

Under my thumb
The squirming dog who's just had his day
Under my thumb
Is the guy who has just changed his ways
Its down to me, yes it is
The way he speaks when hes spoken to
Down to me, the change has come
Hes under my thumb

Under my thumb
Is the man who once pushed me around
Its down to me
Yes it is
The way he does just what hes told
Down to me, the change has come
Hes under my thumb

Under my thumb
Is the guy who once had me down
Under my thumb
Is the man who once pushed me around
Its down to me
Yes it is
The way he does just what hes told
Down to me, the change has come
Hes under my thumb

Its down to me
Hes under my thumb
