(Greg Barnhill/Kim Carnes)

Tim McGraw

She walks over to him and she says do you remember  
me

I think we might have met somewhere before  
Southern Carolina is the place that comes to mind  
But hey I guess you never really can be sure

Oh there's nothing like a true love  
To go and make a fool of someone just like before  
And right there for a minute  
I forgot that you don't love me anymore

Then an old familiar feeling  
Wraps its arms around the moment  
And he says so many times I've tried to call  
Well you think you'd spent a lifetime  
It's been two years since I've seen you  
But it seems like no times gone by at all

There was nothing like a real love  
To give you back the feel of someone just like before  
And right there for a minute  
I forgot that you don't love me anymore

Oh and how far we'll travel  
For a place to heal our hearts  
We watched it unravel  
So why's tonight the hardest part  
Then he says the weather's changin  
And it's icing up the highway  
So I guess it's time for me to hit the road  
So she says goodbye and then before she knows what  
she is saying  
She says I wish that you didn't have to go

Oh there's nothing like a true love  
To go and make a fool of someone just like before  
And right there for a minute

I forgot that you don't love me anymore  
And right there for a minute I forgot that you don't love  
me anymore
