Cannot touch  
Cannot hold  
Cannot be together

Cannot love  
Cannot kiss  
Cannot have each other

Must be strong,  
And we must let go  
Cannot say  
What our hearts must know  
How can I not love you  
What do I tell my heart  
When do I not want you  
Here in my arms

How does one walks away  
From all the memories  
How do I not miss you  
When you are gone

Cannot dream  
Cannot share  
Sweet and tender moments

Cannot feel  
How we feel  
Must pretend it's over

Must be brave,  
And we must go on  
Must not say,  
What we've known all along

How can I not love you  
What do I tell my heart  
When do I not want you  
Here in my arms

How does one walks away

From all the memories  
How do I not miss you  
When you are gone  
How can I not love you..

[[Musical Interlude]]

Must be brave,  
And we must be strong  
Cannot say,  
What we've known all along.

How can I not love you  
What do I tell my heart  
When do I not want you  
Here in my arms

How does one walks away  
From all the memories  
How do I not miss you  
When you are gone

How can I not love you..  
When you are you gone.....
