I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

All the games, I don't need
That's why I have to do what is best for me
I believe that if I want to
I can do anything

So you see, don't you press me
For my number or my name
You should be into better things
Not just trying to get with me

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

It's a shame that you think
Without you the world wouldn't see another day
And you think that I have to
Do everything you say

Understand, I don't need
A man trying to control things
What I need is somebody
To help me achieve things

What makes you think that I would have someone like
you

When everything has to be all about you?
When will you see that there's no chance for us two?
I cannot be, be played as your fool, no

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

Can you explain why you play silly games?
I need to know how your feelings changed
But I told you I don't need you
My heart's not longer here with you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into

It's not about you, I don't need to
Have my life revolve around you

I don't want you, I don't need you
No, you're not what I am really into
It's not about you, I don't need to
