There are days when I regret  
The things I said to you  
I put my trust in no one  
It broke my heart and I blamed it on you

You were kind and oh, so gentle  
But I refused to see that someone like you existed  
I was somewhere in denial  
While you were loving me

I cried myself to sleep last night  
When I woke up  
There were tear stains on my pillow  
It hurts so much to sacrifice what I gave up

Without you in my life  
I will always feel lonely  
Losin' the love  
From someone like you

Not a day goes by without something  
Reminding me of you  
The truth is that I miss you  
It gets so hard not being with you

There are times when I go crazy  
In the twilight of the night  
How I long to be your woman again  
There's a pain that I hold, that will not let me go

I cried myself to sleep last night  
When I woke up  
There were tear stains on my pillow  
It hurts so much to sacrifice what I gave up

Without you in my life  
I will always feel lonely  
Losin' the love  
From someone like you

I don't wanna make this too hard  
But I just wanna be where you are

In your life, by your side, forever

I cried myself to sleep last night  
When I woke up  
There were tear stains on my pillow  
It hurts so much to sacrifice what I gave up

Without you in my life  
I will always feel lonely  
Losin' the love  
From someone like you

From someone like you
