What do you want from me
Every time I see you you're askin' me
Askin' me to give you more of me
Can't you see I'm givin' you everything

What do you want from me
Every time I see you you're askin' me
Askin' me to give you more of me
Can't you see I'm givin' you everything

I-I-I can no longer give you what I'm givin'
I-I-I can no longer be your Wonder Woman
I am a human being, know that
You've got to respect me, know that

I-I-I have no idea who you think this is
I-I-I've given all that I have got to give
When will you say thank you, know that
I've had enough of you, know that

I am not your Super Woman
Not your slave and I am
Not the one to get no appreciation

What do you want from me
Every time I see you you're askin' me
Askin' me to give you more of me
Can't you see I'm givin' you everything

What do you want from me
Every time I see you you're askin' me
Askin' me to give you more of me
Can't you see I'm givin' you everything

I-I-I don't hear from you till you're wantin'
something
I-I-I don't hear from you till you're needin'
something
Sometimes you could call me, know that
Ask me how I'm doin', know that

I-I-I try so hard to satisfy your needs

I-I-I've realized I'm only at your feet
I'm flying to Cancun, know that
I need a break from you, know that

I am not your Super Woman
Not your slave and I am
Not the one to get no appreciation

What do you want from me (I wanna know, ooh, yeah)
Every time I see you you're askin' me (Askin' me)
Askin' me to give you more of me
Can't you see I'm givin' you everything

What do you want from me
Every time I see you you're askin' me (Oh,
no-no-no-no)
Askin' me to give you more of me
Can't you see I'm givin' you everything

Why you, why you, why you wanna dog me (Wanna dog
me
out)
You don't realize it, but you dog me (Wanna dog me
out)
You were fugazi, drivin' me crazy
I just can't take it no more

If you, if you, if you will respect me (Will respect
me, please)
If you open your eyes and respect me
I'm not your Super Woman
I need appreciation

What-what do you want from me
What-what do you want from me
What-what do you want from me
What-what do you want from me

What do you want from me (What do you want from
me)
Every time I see you you're askin' me (Every time I
see you you're askin' me)
Askin' me to give you more of me
Can't you see I'm givin' you (I'm givin' you)
everything (I'm givin' you everything)

What do you want from me (Me)
Every time I see you you're askin' me (Oh,
no-no-no-no-no)
Askin' me to give you more of me
Can't you see I'm givin' you (Can't you see)

everything (I'm givin' you everything)

(I'm givin' you everything)
I'm givin' you everything
(I'm givin' you everything)
Oh, can't you see, I'm givin' everything

(I'm givin' you everything)
I'm givin' you everything
(I'm givin' you everything_
Oh, can't you see, I'm givin' everything

What do you want from me (What do you want from me)
Every time I see you you're askin' me (Every time I see you you're askin' me)
Askin' me to give you more of me
Can't you see I'm givin' you (I'm givin' you) everything (I'm givin' you everything)

What do you want from me (Me)
Every time I see you you're askin' me (Oh, no-no-no-no-no)
Askin' me to give you more of me
Can't you see I'm givin' you (Can't you see) everything (I'm givin' you everything)

What do you want from me (Me)
Every time I see you you're askin' me (Oh, no-no-no-no-no)
Askin' me to give you more of me
Can't you see I'm givin' you everything
