Oh yeah  
Oh yeah...  
You've got to  
Oh yeah  
Oh yeah...  
You've got to get it right

You can do anything that you want to do  
With your mind body and soul  
Do it, prove it to yourself and say  
I want (I want)  
I will (I will)  
I can do anything  
It's a difficult world and you have got to prove  
That you're ready and you can do it  
Nothing in this world would stop you  
I know I can I will fulfill my dreams

Don't stop movin'  
Keep it up  
Keep on movin' get it right  
Yeah you've got to get it right  
Oh yeah oh  
Don't stop movin'  
It's your life  
Keep on movin' get it right  
Yeah you've got to get it right

You can do anything that you want to do  
With your mind body and soul  
Do it, prove it to yourself and say  
I want (I want)  
I will (I will)  
I can do anything  
It's a difficult world and you have got to prove  
That you're ready and you can do it  
Nothing in this world would stop you  
I know I can I will fulfill my dreams

Don't stop movin'  
Keep it up  
Keep on movin' get it right

Yeah you've got to get it right  
Oh yeah oh  
Don't stop movin'  
It's your life  
Keep on movin' get it right  
Yeah you've got to get it right

You can be mystical and magical  
Physically phenomenal  
Good to go  
Not to slow  
Feel the heat and let it flow

You can be mystical and magical  
Physically phenomenal  
Good to go  
Not to slow  
Feel the heat and let it flow

Don't stop movin'  
Keep it up  
Keep on movin' get it right  
Yeah you've got to get it right  
Oh yeah oh  
Don't stop movin'  
It's your life  
Keep on movin' get it right  
Yeah you've got to get it right

You've got to get it right.
